Deadline for all games is Saturday December ¹⁶ 8, 1978.

IN PASSING:

My thanks to Doug Beyerlein and Tom and thw Lovely Linda Sherwood for thier kind words on my engagement, it is a totally unreal situation I find myself in, after being a Widower for six years and ~~not~~ having to go thru the courtship stage once again after 20 years of inactivity, it is totally strange, my intended is a Women of 27 years with a five year old Daughter, she lives in Honduras (Some day I will tell you all how that came about) and the only thing that is holding everything up is Good Old Uncle Sam, I have Filed, Re Filed and Re, Re Filed the Papers so after five (5) weeks I find that I am back at square one, I have lost a whole month in time and I'm sitting on pins and needles hoping that the papers will finally go thru and stay with the Government, finally one last comment Her Name is Concepcion and for thr second time in my long life, I am totally and hopelessly in Love...Amore...And for the final hard part..When all the Games in ADAG are done and over with..I will fold, so in the next year ADAG will go out of existence. I have finally made up my mind, I will start no new games, I won't say anything else for now, I will wait till the final wrap up.

Tengo mucho gusto en conocerte (I have great pleasure in Knowing you)

Basta por hoy (enough for today).
